Applications close at 5pm 31 March (round 1) and 30 September (round 2) each year.

Notes for applicants:

- Incomplete applications will not be accepted.
- Application submitted via email must be in PDF format. If hard copy applications are submitted they must be in A4 format and single-sided pages with no staples.
- Do not include original documents with your applications, copies will be acceptable.
- Grants will not be paid directly to applicants but to teachers or service providers upon presentation of invoices.
- It is the committee's policy not to fund the purchase of capital items (instruments, hardware or equipment).
- Grants may only be awarded for applicants who illustrate strong talent and strong grades from a relevant education institution.
- Preference will be given to students working towards a formal qualification, eg grade 8 performance exams.
- Applicants may only apply once in any calendar year, for either our March OR September funding round. However, grants can be applied for year after year, and are not restricted to one grant allocation per person. If your project is ongoing we encourage you to apply each year you require funding.
- It is the committee's policy not to fund recordings.
- Applicants must have resided in Taranaki for a minimum of two years prior to the date of application.
