Arts Excellence Awards 2022

The Arts Excellence Awards are funded and administered by the Dame Malvina Major Foundation's Auckland & Waikato Committee. These awards are for young New Zealanders of outstanding ability and real development potential in the performing arts who are preparing for a professional career. Funding, of up to \$10,000, will be given for instrumental or singing tuition. This includes studies in musical institutions or private tuition.

Appreciating the impact that the pandemic has had on young singers and musicians looking to study abroad, the committee is open minded to applicants needing to return to courses they're mid-way through, and those wanting to start hard-won placements at prestigious schools. In addition, we have extended the age limit from 28 to 30.

Finalists for 2022 Arts Excellence Awards will be heard on Sunday 17 July at the Diocesan School for Girls Junior Hall, or online/via recording, by a panel of adjudicators made up of members of the Dame Malvina Major Foundation Auckland & Waikato Committee. Finalists will be advised of their time to perform within a week of the close of applications.

Each applicant must present a 10-15 minute programme. For singers, this must include:

1. an Aria from either Grand Opera or Oratorio
2. an art song or Lied
3. own selection.

Applicants are required to provide their own accompanist, along with copies of their programme for the adjudicators. At the conclusion of the recital each applicant will be interviewed by the panel.

Criteria

1. Applicants need to have resided in or had a substantial proportion of their training and artistic development within the Auckland or Waikato region.
2. Applicants must be 30 or under as at 1 January 2022.
3. Applicants need to be New Zealand citizens, but not necessarily resident in either the Auckland/Waikato region or in New Zealand at the time of applying.
4. It is expected that the project for which the award is given will commence within twelve months of the final selection and will also be completed within twelve months.
5. If for any reason the project does not take place, any funding received must be returned.
6. At the completion of the project, recipients must submit a full report of the project and verification from at least one of the referees that the project has been undertaken and completed satisfactorily.

The decision of the assessors will be final and no correspondence will be entered into.
